

Business Profile to be featured in CSI Media's Sunday Publications:

Please answer the following questions about your business. Obviously, the first few answers will be short, but when answering the questions about how the business got started, types of products or services offered, what your biggest challenge is and what you enjoy the most, please answer those questions with more than a one-sentence answer. CSI Media will do its best to print your responses in your own words.

For examples, please look at the business page inside Sunday's newspaper. For the last question about plans for your business, this is a good place to mention any upcoming events like open houses, grand openings, etc.

Please e-mail your answers to the appropriate newspaper within one week of receiving this form:

- Walworth County Sunday: newsdesk@communityshoppers.com
- Stateline News: statelinenews@communityshoppers.com
- Janesville Messenger: messengernews@communityshoppers.com

Responses may also be mailed to CSI Media: ATTN: CSI business profile, 120 Wright St., Delavan, WI 53115. Upon receiving your response, we will contact you to schedule a photo opportunity. Questions, call 262-728-3424.
